RAPID REFRIGERATION HAS PROVIDED UNPARALLELED SALES AND SERVICE ON THE ALBERTA AND B.C. SIDES OF THE PEACE COUNTRY FOR A DECADE.

RAPID IS IN OUR NAME FOR A REASON

Our customers know they can count on fast, reliable and professional service for all their residential, commercial and industrial heating, ventilation and cooling needs.

When we began in 2011, Rapid Refrigeration was operated by owner Tanner Coffey with one service truck. We expanded our staff significantly eight years later and now have six service trucks to better meet the needs within Grande Prairie, and beyond to both sides of the Peace Country.
